

Examples of C- Policy

1. A student is taking ESM 2104 – Statics, during Fall 2021. ESM 2104 – Statics is a pre-requisite for CEE 3304 – Fluid Mechanics. Therefore, the student must earn a C- or better in ESM 2104 in order to enroll in CEE 3304.
2. It is Fall 2021 and a student is taking CEE 3304 – Fluid Mechanics. Student plans to take CEE 3314 – Water Resources Engineering after Fall 2021. This student must earn a C- or better in CEE 3304 in order to enroll in CEE 3314.

Note: If a student never plans to take CEE 3314 – Water Resources Engineering then this student meets the requirement for completion of CEE 3304 – Fluid Mechanics, with a D or a D-.
